# ISRAEL STUDY TOUR

with Eric Schrottenboer  
& The Acacia Project

JUNE 15-26,  
2022

Eric Schrotenboer

Eric is a storyteller and founder of The Acacia Project. He is a film maker, music composer, and children's book author. Eric studied Bible, Music, and Communication at Hope College, Messianic Judaism at Denver Seminary, and received his Masters of Divinity from Western Theological Seminary.

Eric has a passion to help people better understand and fall more deeply in love with the Text. This mission began as Eric realized that people stop reading their Bibles because they don't understand the context of what they are reading. The details in the Text aren't familiar to the readers because the Bible is a book written thousands of years ago in a place that is unfamiliar to most of us. When reading the Bible, we either don't know or don't understand the "pictures" that the Biblical writers are using. As Eric studied the Bible in its context, the words on the pages came alive. For Eric, it is a tremendous privilege to teach and help others see the "pictures" in the Text.
